

# China-Americas Economic Relations Analyst

Project Title	China-Americas Economic Relations Analyst
Project Summary	Research and analyze current developments in China's economic relations with North, Central, and South America
Country	China

## Project Description

U.S. Embassy Beijing's Economic Section is looking for an intern to monitor, research, and analyze China's economic relations with countries in North, Central, and South America, including the Caribbean. The intern will conduct open source research to develop weekly summaries of significant events in China-Americas economic relations. The intern will have the opportunity to draft policy papers in areas of interest, develop databases to track trade, investment, and cooperation with multilateral institutions, create country-specific fact sheets, and complete other written research documents. This internship is perfect for students interested in China's growing economic influence around the world.
